**Chulalongkorn University Campus Tour:** Thailand's first institution of higher learning located in the heart of Bangkok – the Capital City. Chulalongkorn University is surrounded by remarkable architectural structures, and is easily accessible via public transportation, including the BTS (Sky train) and MRT (Underground train).

Chulalongkorn University has dedicated itself as the center for academic learning and professional excellence. We offer a comprehensive academic discipline from 27 faculties, schools, colleges, and research institutes combined, with 8,000 faculty members and supporting staff. Currently, there are over 37,000 students, including more than 26,000 undergraduates and over 10,000 postgraduates.

Chulalongkorn University is currently ranked Thailand's No.1 and No. 16 in the world for Global Impact by Times Higher Education (THE) Impact Rankings 2022.
