#### **Kasetsart University (KU), Bangkok**

Kasetsart University, commonly known and referred to as Kaset or KU, is a public research university in Bangkok, Thailand. It is the largest university in Thailand in term of the number of students (totally 70,000 students). Kasetsart University was Thailand's first agricultural university and Thailand's third oldest university. It was established on 2 February 1943 to promote subjects related to agricultural science. Since then, Kasetsart University has expanded its subject areas to cover life sciences, science, engineering, social sciences, economics, business administration, humanities, public health, and very recently medicine. Kasetsart University's main campus is in Bangkhen, northern Bangkok, with several other campuses throughout Thailand.
