The tour is called Red, White and Brew...but it's not your typical wine tour!

With a unique difference from all the standard wine tours, our experience offers you tastings at 2 wineries, a gin distillery, brewery and includes all tastings and a light lunch.

After a 9am collection we head out of the city to the iconic Barossa Valley and first stop for the day, Kies Family Wines. This family winery prides itself on providing a personal experience to all who visit. Enjoy the homely feel as you taste their awesome selection of wines before we move on to Pindarie, our second winery of the day. In a restored grain store and adjacent stables we experience a guided tasting of their award winning wines followed by a lunch of regional produce.

After leaving Pindarie behind us we make our way further into the heart of the Barossa, stopping to wander in historic Tanunda, before we head off to enjoy a structured gin tasting.

Last destination of the day (via Seppeltsfield) is Greenock Brewery. We have the opportunity to meet the brewer and take a tour of the brewery while enjoying a taste of their beers before we head back to Adelaide.
