

*The Australasian Bone Marrow Transplant Recipient Registry
& the Bone Marrow Transplant Society of Australia and New Zealand
invite you to join us for*

ABMTRR information session at Blood 2019
Perth Convention and Exhibition Centre
Saturday 19th October 2019
3pm-5:30pm

In this session we will present an update of the registry and showcase some of our latest work. While the focus will be on our newer services such as **benchmarking** and **cell therapy data collection**, there will also be opportunities for general discussion and networking.

Find out how the ABMTRR can help you with:

- resource planning
- transplant centre QA and accreditation
- research feasibility and scene setting
- TGA applications
- retrospective analyses
- prospective studies
- conference presentations
- publications

Data managers, nurses, quality officers, laboratory scientists, physicians and any other interested parties are all welcome to attend.

Attendance is free but registration is required for catering purposes.

Numbers will be limited.
