# Welcome to BLOOD 2023

We are delighted to welcome you to Melbourne for Blood 2023, the combined Annual Scientific Meeting of the Haematology society of Australia and New Zealand (HSANZ), the Australian and New Zealand society of Blood Transfusion (ANZSBT), and the Thrombosis and Haemostasis society of Australia and New Zealand (THANZ), together with important contributions from the HSANZ Nurses Group and the Bone Marrow Transplant society of Australia and New Zealand.

We hope you will find the Blood 2023 program educational and stimulating, and we are very grateful to all our speakers for the willingness to share their knowledge and expertise. We would like to pay particular thanks to our international speakers who have travelled a long way to share their experience and unique insights.

We wish to thank our sponsors and exhibitors for their generous support of the Blood 2023 meeting. Please take the time to visit the exhibition stands and interact throughout the breaks.

In true Blood fashion, the social functions will be an important part of the meeting too. Your opportunity to reconnect with old friends and meet new ones at the Welcome Function. Celebrate the arrival of Spring and new beginnings at the Gala Dinner, come dressed in your best garden party attire.

We hope that you enjoy the many educational, social and networking opportunities that occur throughout the Meeting and leave with new knowledge and connections.
