Invitation

Dear Valued Sponsor and Exhibitor,

On behalf of the Organising Committees, we take great pleasure in inviting you to support the 70th Cardiac Society of Australia and New Zealand's Annual Scientific Meeting (CSANZ ASM) held in conjunction with the 44th Annual Scientific Meeting of the International Society for Heart Research, and the 16th Australia and New Zealand Endovascular Therapies Meeting (ANZET). The Meetings will be from 11 - 14 August at the Gold Coast Convention and Exhibition Centre and will be the major platform for the exchange of ideas.

This prospectus outlines the sponsorship and exhibition opportunities available to you at the Meetings. Please review the packages to determine the best fit for your promotion requirements. In order to provide the best return for your investment, we are also open to discussing your particular promotional requirements and tailoring a package accordingly.

Get ahead of your industry colleagues and start planning now! This joint format provides access to more key decision makers and enables you to be part of a very dynamic platform. Based on past meetings we anticipate a sell-out exhibition so act now to secure your preferred stand.

About the Meeting

Hosted by CSANZ New Zealand and The CSANZ Interventional Council the annual Meetings are the major forum for the exchange of ideas and for discussion around clinical and basic research issues, including the latest developments in basic mechanisms, diagnosis, treatment and prevention of cardiovascular disease. The scientific committees have already made excellent progress towards a world class program which will feature high calibre overseas and local speakers.

In 2022 there will be an overall program theme of Heart Health For All. A focus on achieving heart health equity, whether by ethnicity, gender, socioeconomic or rurality, will be woven into the usual cutting edge science and education updates. The program will provide learning opportunities and fellowship for all the attending professionals who work to maximise Heart Health.

The Meetings provide a platform for engaging rigorous scientific discussions, update from a global perspective and multiple opportunities to showcase thought leadership, new products and specialist services.

Why Your Presence at the CSANZ ASM and ANZET is Essential

We understand how important it is for all our sponsors to feel that your investment has been wisely placed. Here are some of the reasons why your presence at the CSANZ ASM and ANZET is essential:

- The Meetings represent the most comprehensive gathering of cardiovascular health professionals in Australia and New Zealand – your core target market, under one roof.
- The 70 year history of the CSANZ Meeting is testimony to the value Society members place on their attendance and the importance of ASMs on their annual calendar. By supporting the Meetings, you are also signaling your commitment to the cardiovascular health profession's most important gathering.
- The Meetings have evolved over the years to provide sponsors and exhibitors with the very best environment in which to communicate with delegates, prior to, during and post-August 2022.
- The Programs have been developed to provide you with ample opportunity to interact with delegates, introduce new products, concepts, updates and to transact business with the inclusion of breakfast and lunch sessions for Diamond sponsors and breakfast sessions for Platinum sponsors as well as the opportunity to utilise mini oral theatres during a specified number of coffee breaks.
- The Social Programs have been conceived to enable you to connect directly with the delegates and speakers in a relaxed and casual environment.
- The marketing and communications roll out of each Meeting is effective, efficient and sustained. Your early commitment will allow you to take advantage of our marketing campaigns until we welcome you to Gold Coast.

To summarise, the benefits of your investment are exceptional exposure, creative networking spaces and opportunities, direct connections, the ability to build new relationships, strengthen existing ones, display commitment and transact excellent business.
