Invitation

Dear Valued Sponsor and Exhibitor,

On behalf of the Organising Committees, we take great pleasure in inviting you to support the Cardiac Society of Australia and New Zealand's Annual Scientific Meeting (CSANZ ASM) held in conjunction with the Annual Scientific Meeting of the International Society for Heart Research, and the Australia and New Zealand Endovascular Therapies (ANZET) Meeting.

The Meetings will be held from 5-8 August 2027 at the New Zealand International Convention Centre in Auckland.

Marking a return to New Zealand, this will be the first CSANZ Annual Scientific Meeting or ANZET Meeting held in the country since 2007. The Meeting will celebrate the strong partnership between Australia and New Zealand in cardiovascular medicine, bringing together international and regional experts to deliver a world-class scientific program. Designed for the entire cardiovascular team, it will provide valuable opportunities for learning, collaboration, innovation and networking.

This prospectus outlines the sponsorship and exhibition opportunities available to you at the Meetings. Please review the packages to determine the best fit for your promotion requirements. In order to provide the best return for your investment, we are also open to discussing your particular promotional requirements and tailoring a package accordingly.

We look forward to sharing this unique event and welcoming you as a valued Sponsor and Exhibitor.

Why Your Presence at the CSANZ ASM and ANZET is Essential

We understand how important it is for all our sponsors to feel that your investment has been wisely placed. Here are some of the reasons why your presence at the CSANZ ASM and ANZET is essential:

- The Meetings represent the most comprehensive gathering of cardiovascular health professionals in Australia and New Zealand – your core target market, under one roof.
- The 75 year history of the CSANZ Meeting is testimony to the value Society members place on their attendance and the importance of ASMs on their annual calendar. By supporting the Meetings, you are also signaling your commitment to the cardiovascular health profession's most important gathering.
- The Meetings have evolved over the years to provide sponsors and exhibitors with the very best environment in which to communicate with delegates, prior to, during and post-August.
- The Programs have been developed to provide you with ample opportunity to interact with delegates, introduce new products, concepts, updates and to transact business with the inclusion of breakfast and lunch sessions for Diamond and breakfast sessions for Platinum sponsors as well as the opportunity to utilise mini oral theatres during a specified number of coffee breaks.
- The Social Programs have been conceived to enable you to connect directly with the delegates and speakers in a relaxed and casual environment.
- The marketing and communications roll out of each Meeting is effective, efficient and sustained. Your early commitment will allow you to take advantage of our marketing campaigns until we welcome you to Auckland.

To summarise, the benefits of your investment are exceptional exposure, creative networking spaces and opportunities, direct connections, the ability to build new relationships, strengthen existing ones, display commitment and transact excellent business.
