## Invitation to Sponsors

Dear Valued Sponsor

On behalf of the Organising Committee, we take great pleasure in inviting you to support the Engineering and Physical Sciences in Medicine 2019 Conference.

The Conference will be held from 27th October – 30th October 2019 at the Pan Pacific Perth Hotel, Perth, Australia.

Advancements in science, engineering and technology in medicine happen when many people work together. In recognition of 2019 being the International Year of the Periodic Table of Elements, our theme is Elements. Individuals bring their skills to their multidisciplinary teams, and those teams interact with other teams and groups in medicine to create opportunities and innovations. In this exciting and comprehensive Scientific Program, international, national and local speakers will discuss a broad array of topics.

This prospectus outlines the sponsorship and exhibition opportunities available to you at the Conference. In order to provide the best outcome from your promotional investment, we are open to tailoring packages to your suit your strategic objectives. Additional opportunities might also arise in future as the conference planning progresses.

We look forward to welcoming you as a valued Sponsor and Exhibitor to Perth in 2019.
