Other third parties that may have access to your personal data

In a separate section of the online registration form, 'Privacy – List of Participants', you can choose whether to have your details included in the event List of Participants. If you opt in for this, your details will also be shared with:

- (a) Meeting delegates, sponsors and exhibitors
- (b) Organisers of future Facilities Management Association of New Zealand events

How long will we store your personal data?

Your personal data will be retained by us for up to 24 months after the conclusion of this event.

Personal data about your children

We ask for your children's personal data if they are attending this event with you.

The right to inquire about your personal data

You retain the right to ask us about your personal data at any time. Please contact us at <u>fmsummit@theconferencecompany.com</u> with any enquiries you may have.

The right to withdraw your consent

You retain the right to withdraw consent to use your personal data at any time. Please be aware that a withdrawal of consent before the start of this event means we will have to remove your personal

details from the event database. Unfortunately, this may preclude you from attending the event as we do need to store your personal details for multiple event related purposes. Please contact us at <u>fmsummit@theconferencecompany.com</u> with any enquiries you may have.

The right to forget or anonymise your personal details

You retain the right to request that we forget or anonymise your personal data. If you have attended any event with us, we will retain any financial, tax or event attendance records for reporting reasons, but will remove all personal data from our database, leaving an anonymised record for reporting reasons.

If we have provided your personal data to third parties we will inform these third parties that you have requested your data be anonymised.

Data Breaches

In the case of data breaches identified by anyone other than the **Data Protection Officer**, the identifying party must inform the Data Protection Officer of the data breach immediately. Once aware of a data breach, the Data Protection Officer will immediately put measures in place cease and rectify the breach and will report the breach to the supervisory authority within the applicable country within 72 hrs (e.g. the Privacy Commissioner in New Zealand or the Information Commissioner in Australia).

Our Data Privacy Policy

The Conference Company has a detailed internal Data Privacy Policy that is reviewed and updated periodically. Staff are trained in the policy as part of their induction and are kept abreast of changes as they occur.
