Warning - fraudulent websites and booking agencies

The workshop industry is confronted with an increasing number of fraudulent websites that impersonate legitimate workshop websites and booking agencies that are not authorised to make bookings for workshop participants.

The Conference Company Ltd wishes to advise ICN Cartel Workshop participants to be aware of possible scams and urges all participants to only use the official ICN Cartel Workshop participants website <https://tcc.eventsair.com/icn-cartel-workshop-2022>

The Conference Company Ltd is the only official accommodation agency for ICN Cartel Workshop. If you are contacted by any other company or agency offering accommodation for ICN Cartel Workshop, please note that these companies are not authorised to represent the ICN Cartel Workshop in any way, nor do they have access to the officially contracted ICN Cartel Workshop room blocks or rates.

Imitation sites and agencies invite workshop participants to supply their personal details including credit card information, in return for a promise to provide travel and accommodation. Please be aware that these unauthorised companies might not deliver what they promise, and in fact may not deliver anything to the workshop participant at all despite charging the credit card.

If you have any questions around the legitimacy of a supposed workshop website, or are contacted by any such agency, please don't hesitate to contact us at icnworkshop@theconferencecompany.com or +64 9 360 1240.
