

## Sponsorship Subcommittee

### **Marilyn Rice**

Marilyn Rice is CEO of merci, an international consulting firm specializing in equity in health and development. She is known globally for her work in health promotion, education, and behavior change communication; community development; social mobilization; participatory research and evaluation; and urban health. She also served a leader in health promotion, education, community development, and reproductive health for PAHO and WHO, the US government and international consulting firms working worldwide. She is currently IUHPE Global VP for Conferences and Chair of the Healthy Settings Interest Group, and she has been on the IUHPE Global Board almost consecutively since the 1980's.

### **Louise Signal**

### **Paolo Contu**

Member of the IUHPE Board of Trustees since 2007, Vice President for Capacity Building, Education and Training 2010-2016, , Vice President for Communications 2016-2019, Co-Chair of the Global Working Group on Competencies and Workforce Development since 2012.  
Member of the European Training Consortium in Public Health and Health Promotion (ETC-PHHP) since 1995, organizing regularly summer courses in health promotion.

Languages: English, French, Spanish

Main interest for Communication, Capacity Building Education and Training, Membership

As vice-president for Capacity Building, Education and Training my priority has been to improve the effectiveness of health promotion practitioners and health promotion training, through the development and management of the IUHPE international accreditation system for individuals and academic courses.

As vice-president for Communications my priority has been to improve the effectiveness of internal and external communication, through a wide range of tools (website, flash info, facebook, twitter...).

### **Stephan Van den Broucke**

### **Liane COMEAU**

**David Pattison**

I am a freelance consultant in management and health, during my professional career I worked in the public and voluntary sector including the British Red Cross and the NHS at local; national (Scottish and UK) and International level. I have been a technical adviser with the WHO on European and Global projects, I was the President of EuroHealthNet and a member of the IUHPE Board where I was the Global VP for Marketing and Fundraising. I have been on a number of organising committees and sub-committees of World and European conferences including the current conference in New Zealand.
