POST

It can't be
bargained with.

It can't be reasoned
with.

It doesn't feel pity,
or remorse, or fear.

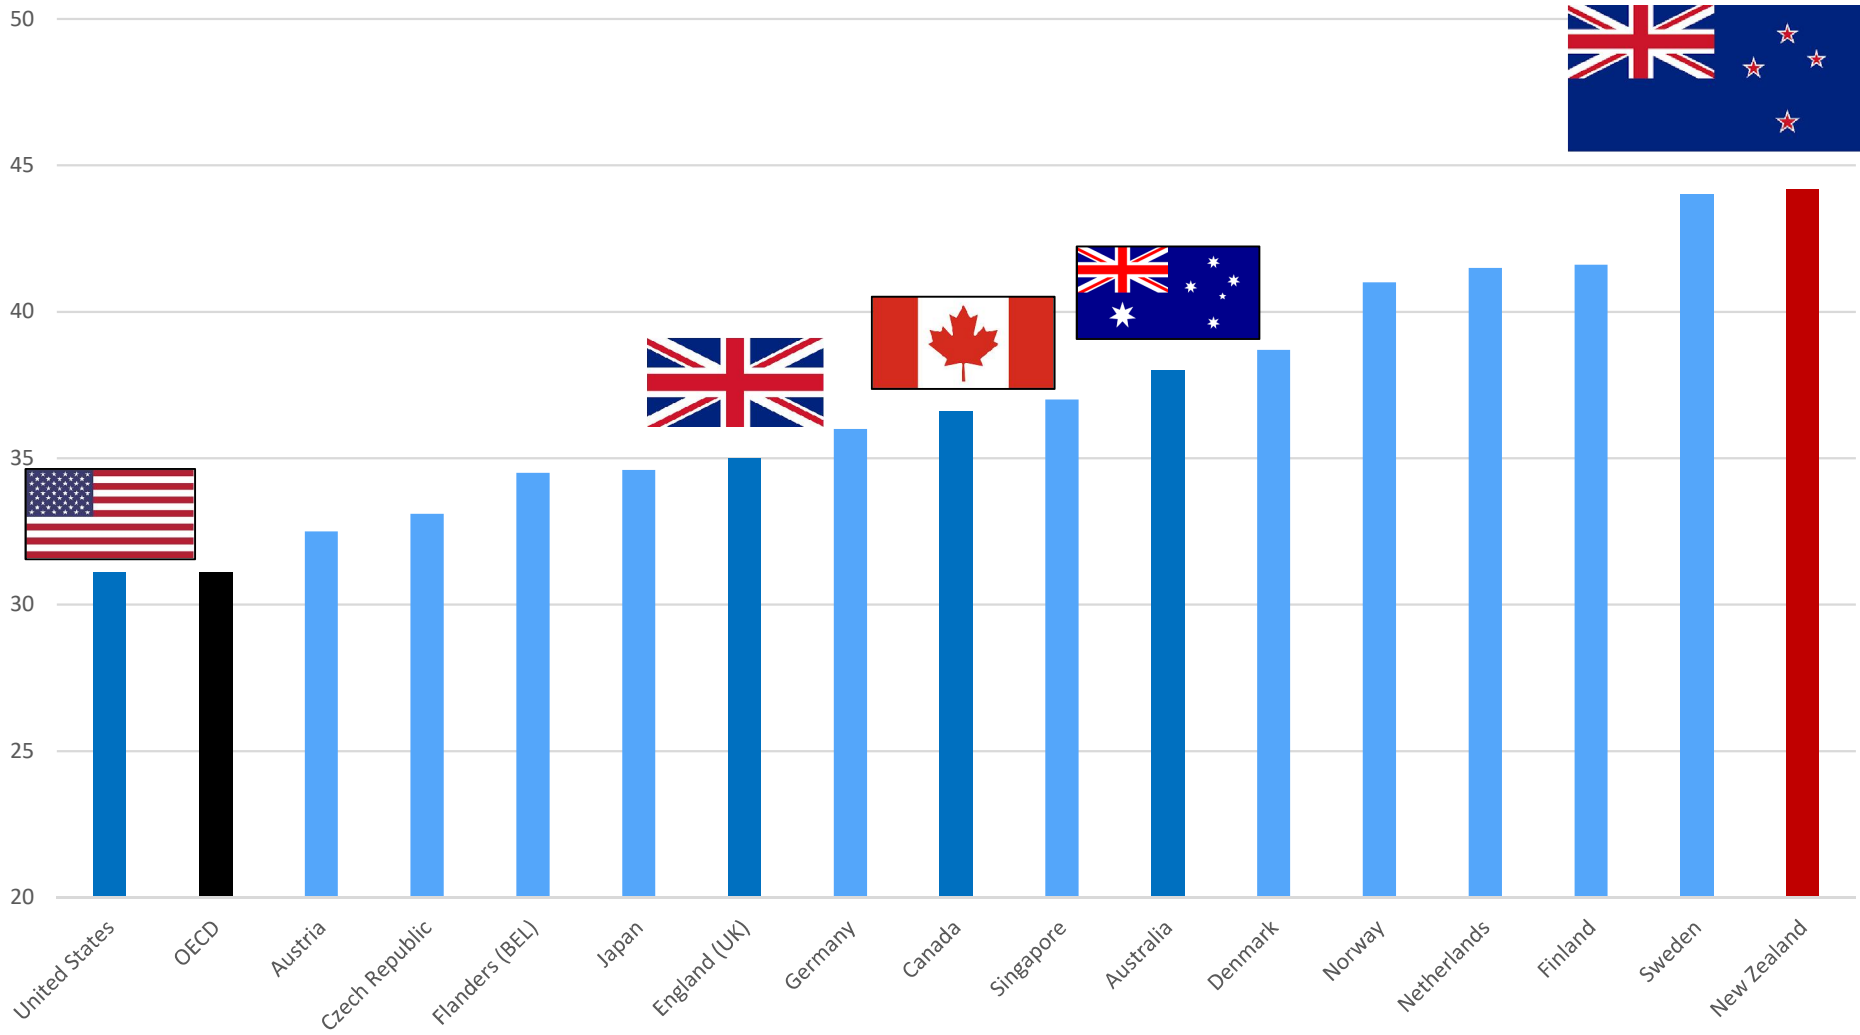

And it absolutely
will not stop, ever,
until you are dead.

Problem solving in technology rich environments

“As a profession we
are changing rapidly,
but I don’t think we
are changing fast
enough.
We need to increase
the velocity”

Randy Black, Global Chair PMI, May 2019

James Dobson of Falcon Training for the authenticity in engagement experienced at the PMIAC 2019 in the Gold Coast (and the T-shirt!).

For the research and insights shared in the Gallup and OECD reports.

For the PMINZ organising team

For the awesome venue – Te Papa

For the audience – your curiosity, willingness to turn up and courage to embrace change.

For my daughter – who lights up my world and motivates me to want to make the world a better place, starting with the woman in the mirror.
