It is set amongst restaurants, retail outlets and a vibrant public domain on Darling Harbour, yet is only a moment's walk to Australia's largest CBD and surrounding university and cultural quarters. Featuring a striking contemporary design, leading technology and multipurpose spaces, ICC Sydney is well setup to cater to the needs of conventions and exhibitions.

About Sydney

Sydney is Australia's largest and most famous city. Whether it's your first time visiting or you've been before, Sydney is never short of new entertainment. Rich in culture, history, scenery and cuisine, Sydney has a vast range of experiences to offer both international and Australian visitors.

Sydney is ideally located around a natural ocean harbour, with many beaches easily accessible in the Eastern Suburbs such as Coogee, Tamarama and world famous Bondi Beach.

Fringing many of these areas is protected national park, containing scenic coastal walks such as the highly recommended Coogee to Bondi Walk and the Spit to Manly Walk. Sydney is also host to an array of gardens and the home of the oldest botanic garden in Australia, the 200 year old Royal Botanic Garden.
