WELCOME TO SLEEP DOWNUNDER 2025!

It doesn't feel like very long ago that we welcomed you to Sleep DownUnder 2024 in the Gold Coast. With **more than 800 people** in attendance, five short courses taking place and our much-anticipated disco-themed gala dinner there was excitement all around! It was great to meet you all personally and hear the latest in industry news. We thank you for being there to support the ASA and the sleep health community.

This year the region's flagship sleep conference will return to the Adelaide Convention Centre from 8 -11 October with some exciting new additions and approaches to keep delegates and trade exhibitors engaged. For example, the gala dinner will be held offsite at the Adelaide Oval offering a unique experience for delegates and exhibitors alike.

Two world-renowned international keynote speakers have confirmed their attendance:

- Sanjay Patel, Professor of Medicine, Epidemiology, Clinical and Translational Science at the University of Pittsburgh USA, and
- Yuval Nir, Professor of Neuroscience, Physiology at Biomedical Engineering at Tel Aviv University, Israel.

We've taken on your feedback from last year and some of the ideas we're working on to enhance the trade exhibition include:

- New sponsorship options such as a barista coffee machine package
- Increased complimentary exhibitor staff passes for the Platinum, Gold, Silver and Bronze packages
- Increased complimentary delegate passes for the Platinum, Gold and Silver packages
- Better functionality for scanning delegate name tags to capture contact information during interactions
- Gamification to increase delegate traffic to all exhibition stands.

All conference sessions will take place in person, with no virtual streaming and no virtual registrations options. Instead, plenary sessions and one concurrent stream will be recorded and made available via the ASA Learning Centre for members who weren't able to attend in person.

Sleep DownUnder is the premier meeting for sleep health and sleep medicine professionals in Australia and New Zealand. I look forward to welcoming familiar faces back to Adelaide and meeting our new industry representatives joining us this year for Sleep DownUnder 2025.
