Warning - fraudulent websites and booking agencies

The meeting and conference industry is confronted with an increasing number of fraudulent websites that impersonate legitimate conference websites, and booking agencies that are not authorised to make bookings for conference participants.

The Conference Company Ltd wishes to advise participants of the **26th Annual Conference of the Australasian Sonographers Association (ASA 2019 Conference)** to be aware of possible scams and urges all participants to only use the official Conference website www.sonographersconference.com

The Conference Company Ltd is the only official accommodation agency for the ASA 2019 Conference. If you are contacted by any other company or agency offering accommodation for ASA 2019 Conference, please note that these companies are not authorised to represent the Conference in any way, nor do they have access to the officially contracted ASA 2019 Conference room blocks or rates.

Imitation sites and agencies invite conference participants to supply their personal details including credit card information, in return for a promise to provide travel and accommodation. Please be aware that these unauthorised companies might not deliver what they promise, and in fact may not deliver anything to the conference participant at all despite charging the credit card.

If you have any questions around the legitimacy of a supposed conference website, or are contacted by any such agency, please don't hesitate to contact us at sonographers@theconferencecompany.com or +64 9 360 1240.
